Government Engineering College, Bharatpur | 2nd Year, 3rd Semester | Expected Graduation: 2029

Frontend Developer Course

Creative Web Pixel, Jaipur

PROJECTS

Personal Portfolio Website | HTML5, CSS3, JavaScript

- Designed and developed a personal portfolio website to showcase profile, skills, and frontend work.
- Built a responsive layout for mobile, tablet, and desktop screens.
- Focused on clean structure, styling, and user-friendly interface design.

Responsive Landing Page | HTML5, CSS3, JavaScript

- Created a responsive landing page with hero section, navigation, feature blocks, and call-to-action sections.
- Used Flexbox, CSS Grid, and media queries to ensure compatibility across devices.
- Improved layout structure and frontend design skills through hands-on implementation.

Agency / Startup Landing Page UI | HTML5, CSS3, JavaScript

- Developed a modern landing page UI for practice in responsive design and component-based section building.
- Implemented mobile navigation, reusable card layouts, and clean visual hierarchy.

Portfolio Landing Page Template | HTML5, CSS3, JavaScript

- Built a portfolio-style landing page template with responsive sections for skills, projects, and contact.
- Focused on layout consistency, modern spacing, and reusable frontend structure.

INTERNSHIP EXPERIENCE

Frontend Development Intern | Creative Web Pixel | 15 Days

- Worked on designing and developing web page sections using HTML5, CSS3, and JavaScript.
- Assisted in building responsive layouts and improving the visual structure of webpages.
- Gained hands-on exposure to frontend workflow and practical web development tasks.
